Negroes Attempt to Raid a Town and a Number Shot.

Scottdale, Ra., July 10.-Three negroes employed at the Paynter works of the McClure Coke Company came to Scottdale yesterday afternoon. As soon as their presence became known strikers attacked and drove them over into Fayette County. Shots were exchanged, but no one was injured. The negroes went back to the coke works, where plans were made to raid the town. The 150 negroes at the Paynter works armed themselves with revolvers, razors and clubs, and at 8 o'clock marched to town. Burgess John Robertson appeared on the scene and commanded the mob to disperse. A negro fired three shots at him and another struck him with a stone. This was a signal for a battle, and a crowd of at least 500 citizens rushed at the negroes. The negroes retreated, shooting back into the crowd, and at least 500 shots were fired. The citizens secured revolvers and guns and chased the negroes up through Pastime Park, keeping up a hot fire. The negroes escaped through the woods to the works. David Munday, a colored man from Pittsburg, was left behind probably fatally wounded, being shot in the head. It is reported that at least a dozen other negroes were woundel. Several of the leaders were arrested.
